## In Memoriam

1894

Vernon Lewis

1952

Mr. Lewis was a resident of Kingston for the past thirty years. During this time he served as Selectman for ten years, four of these years in the capacity of Chairman.

He was a member of Saggahew Lodge A.F. & A.M., and the Portland Street Baptist Church. He was Past Master of the Granite State Grange and Past District Deputy of the New Hampshire State Grange.

Mr. Lewis was by profession a bookkeeper and was employed by Daniels Machine Company of Haverhill, Mass., during World War II. At the time of his death he was employed at the Estabrook Garage in Newton, N. H.

With the passing of Vernon Lewis the Town has lost a true and public spirited citizen. His diligent and untiring efforts in behalf of the Town will long be remembered.

## Town Warrant

### THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Kingston on Tuesday, the eleventh day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise and appropriate the sum of \$312.47, and the State will contribute \$2,083.12, for Class V Highways, under the provisions of the T. R. A. so-called.
4. To see if the Town will vote to raise and appropriate the sum of \$500.00 to continue the permanent construction of the New Boston Road.
5. To see if the Town will vote to raise and appropriate the sum of \$500.00 to continue the permanent construction of the Wadleigh Point Road.
6. On petition of Guy Amburg and others to see if the Town will vote to raise and appropriate the sum of \$750.00 to improve and extend the tarvia surface in part on the Cheney Mill road to the Danville line in 1952.
7. On petition of Arthur Hamblen and others to see if

the Town will vote to raise and appropriate the sum of \$1000.00 to continue the permanent construction of the Shore Road.

8. On petition of Jack K. Braley and others to see if the Town will vote to raise and appropriate the sum of \$795.00 to purchase oil burners and install same in the hot air furnaces in the Town Hall. The purchase of these burners to be opened on sealed bids, and the award given to the lowest responsible bidder.

9. On petition of the Kingston Firemen's Association to see if the Town will vote to raise and appropriate the sum of \$750.00 to plaster and finish the new fire station.

10. On petition of Ralph E. Ordway and others to see if the Town will vote to have a street light installed near the Wood Heel Shop on the Newton Jct. Road, and raise and appropriate money for the same.

11. To see if the Town will vote to raise and appropriate the sum of \$622.00 to purchase a new Good Roads Model 701 Snow Plow with Moldboard Assembly for the Town Truck.

12. To see if the Town will vote to raise and appropriate the sum of \$425.00 to purchase a new Model DD Highway Power Sander for the T. Truck.

13. On recommendation of William H. Messick, Jr., State Forester, to see if the Town will vote to raise and appropriate the sum of \$400.00 for continuing control of the White Pine Blister Rust in Kingston during 1952 in accordance with the State laws.

14. To see if the voters will authorize the Selectmen and Town Treasurer to borrow sums of money not exceeding \$15,000.00 in anticipation of the collection of taxes for the current year, and to issue in the name and on the credit of the Town negotiable notes therefor, said notes to be paid during the current year from taxes collected during the year.

15. Shall the provisions of Chapter 171-A of the Revised Laws of the State of New Hampshire relating to playing games of Beano, be adopted in this town? (This article to be voted on by ballot).

16. To see if the Town will vote to accept the auditors report, and the Town reports as printed.

17. To see if the Town will vote to open all annual Town Meetings at 10 a.m. and close at 7 p.m.

18. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-fifth day of February, in the year of our Lord nineteen hundred and fifty-two.

J. EDWARD STEVENS,  
ERNEST P. BRAGDON,  
LESLIE W. CURRIER, JR.  
Selectmen of Kingston.

## Report of the Fire Department

---

The Department has responded to twenty-two calls this year, three of which were out-of-town calls.

The fires did not involve insured property, however, the total estimated damage caused by these fires was high. This should remind all citizens of the community that constant vigilance is necessary to protect our homes and property from the menace of fire.

We wish to express our appreciation for the cooperation which has been given the department in the matter of fire control.

We also wish to express our appreciation to the Ladies Auxiliary of the Kingston Fire Department and to the Kingston Firemen's Association for their work and the assistance rendered the Department.

We are especially indebted to Miss Elinor Martin and her assistants at the telephone exchange for their splendid cooperation and service rendered to us during the past year. Without this fine cooperation we feel that our losses would be much greater.

We also wish to thank the Firemen's Association and volunteers who have contributed much to the completion of our fire station.

WILLIAM G. SIMES,  
Chief of Fire Department

### LIBRARIAN'S REPORT

If ever Libraries had an opportunity to prove themselves indispensable as builders of community morale, it is during a national emergency such as we now face. It is essential that they expand their informational services and provide as well the inspirational and recreational books which serve to divert the people's minds from the tensions of everyday living under pressure.

Bookmobile Service is being continued for the children and the non-fiction book collection is supplemented by borrowing from the New Hampshire State Library.

Book Week was observed with an exhibit of thirty-five newly purchased books. About fifty children from the first and second grades of the Bakie School attended a Story Hour at the Library. Posters illustrating "New Horizons with Books", made by the seventh and eighth grades, were on display.

The interior of the library has been freshly painted and varnished, making it much lighter. The books and stacks were also cleaned.

In addition to the regular magazines we receive the "Nation" and the "Christian Science Monitor" which are donated by Mr. Henry Chequer and Mrs. Niellen Linscott, respectively.

We wish to extend to the Kingston-Newton Garden Club thanks and appreciation for the flower-urns which they gave and which they replenish each year.

We also wish to express appreciation for the books which were so generously contributed by the following:

Mrs. Raymond Avery, Marjorie Childs, Mrs. Andrew Christie, Andrew Christie, Jr., Mrs. Harry Clark, Shirley Clark, Mrs. William Modlick, Mrs. Harry Snow, Mrs. Vesta Tracy, Mrs. Warren Tucker, Mrs. Harriet Watson and the New England Mission.

Respectfully submitted,

GLADYS M. MERRICK, Librarian.

## Acknowledgement

---

We hereby express our sincere appreciation to Mrs. Jennie Morrill Robinson for the gift of a large and beautiful silver loving cup, to the Town of Kingston, in memory of her late husband Henry W. Robinson, a long time resident. It has been installed in a place of honor in the Nichols Memorial Library. Mr. Robinson was the winner of the cup in a 25-mile bicycle road race in Waltham, Mass. in 1890 and it has the names of the first six riders to finish, inscribed on it. It is interesting to note that the second name is that of Frank Swan, a brother of Mrs. Frank W. Whippen, whose husband was a minister at the Universalist Church in Kingston for many years.

## Superintendent's Annual Report

---

To the School Board and the Citizens of Kingston:

It is with a good deal of pleasure that I write this, my second annual report to the School District of Kingston.

One year ago Kingston was looking forward to the possibility of an addition to the Bakie School. Today that possibility has become an actuality, for the promotion of superior educational opportunities for its children. The new two room addition and other alterations have alleviated last year's problems, but Kingston has become a town that more and more parents like to live in as is indicated by a comparison between planned and actual enrollment for this year. The best forecast possible indicated a top enrollment of 158 pupils for 1951-52, there is now an enrollment of 177. The following breakdown of the enrollment by grades gives a good idea of the problem involved when you consider that there must be two combinations of two grades each with six teachers and eight grades.

### 1951-52 Enrollment

Grade 1 .....	24 pupils	
Grade 2 .....	21 pupils	
Grade 3 .....	33 pupils	
Grade 4 .....	24 pupils	
Grade 5 .....	18 pupils	} combined
Grade 6 .....	18 pupils	
Grade 7 .....	16 Pupils	} combined
Grade 8 .....	23 pupils	

This, without the impetus of the Newington Air Base. It is well that Kingston has its eyes on the future and what it will probably mean to future enrollment.

This report is accompanied by a page devoted to Return of District Revenue which shows the actual budget we are operating on this year, (1951-52.) In studying this year's budget and comparing it with the proposed budget of 1952-53,

I would ask you to bear in mind that increased enrollment means more books, school supplies, and equipment; consequently greater costs. You may be assured your school Board and Superintendent are doing all they can to be economical, but at the same time maintain the high educational standards you have enjoyed in the past.

### TEACHERS

Mrs. Marguerite Hill (Gr. 5 and 6) has been added to the teaching staff to alleviate the crowded classroom conditions at Bakie School. Mrs. Hill comes to us with eight years experience in the schools of Maryland and one year at Bridgewater, N. H. Mrs. Hill is doing a very creditable job in maintaining the high level of instruction associated with Bakie School. Kingston is rightly proud of its teachers. The teachers of Bakie School have continued their high level of professional interest in their work. You would indeed be fortunate if the continuity of your present staff could be maintained.

Miss Ann-Marie O'Shea, B.U. School of Music "51" to replace Miss Jean Readio who resigned to be married. Miss O'Shea's musical background has permitted her to fit very nicely into the type of instruction necessary for a Supervisory Union position.

### HOT LUNCH

The hot lunch program is well organized and successful. The alterations in the kitchen have facilitated matters considerably. Although it is regrettable that the dishwasher has not as yet proven too successful, the School Board is doing everything in its power to correct the situation.

The P.T.A. is to be commended for its continued interest in and support of the program. Such close cooperation between school and home is bound to be advantageous to all.

### TESTING PROGRAM

A union wide testing program has been instituted this year. Children in grades 4, 6, and 8 were tested in October by the University of New Hampshire counseling service. Grades 4 and 6 were given Mental Efficiency tests plus Achievement tests in Reading, Arithmetic and English. Grade 8 was given a battery of tests which included, Interest Inventory, Mental Effi-

ciency, Mechanical Aptitudes and Comprehensive Reading. Grade 8 tests shall be used as a medium for counseling and guiding pupils into selection of a high school program best fitted for them in terms of interest and abilities.

These tests are in the hands of the respective teachers who would welcome the opportunity to sit down with any and all interested parents for a discussion of their child's problems as indicated by the tests. Naturally these tests are not infallible, but they are of immeasurable help when supplemented by the teacher's judgment. I urge parents to take advantage of this opportunity to sit down with the teacher and discuss their child objectively.

You will be interested to know that the pupils of Bakie School rated above National and State averages in all areas tested.

#### GUIDANCE

As the value of a testing program must be measured by its use and because the State Department recognizes the value of a full time Counselor in Guidance Work, the Union has voted a sum of money to pay part of such a man's salary. The State Department of Education has consented to match the amount voted by the Union in order to set up a pilot program on a Supervisory Union basis. This program will be the only such program in the state and will be closely supervised by your Superintendent and the State Guidance Director.

It should prove of great value to Kingston in that it will make available a man trained in counseling techniques to work with parents, teachers, and children in working toward the solution of problems in mal-adjustment, truancy, and others common to the advanced or retarded pupil.

Finally, I wish to express my appreciation to the School Board, Citizens, Teachers and Pupils of Kingston for the fine spirit of friendliness and cooperation shown me. It has made my work very pleasant.

Respectfully submitted,

LOUIS L. RAMSAY,  
Superintendent

## Report of Music Teacher

---

To the Superintendent and School Board, Citizens of Kingston:

The first consideration in all music work in the schools is the child; his mental and emotional condition, his tendencies and possibilities for absorbing music.

There is a way to teach music to children in the schools, a way which emphasizes the mission of music as a potent force in its power to soothe and heal; to inspire and stimulate. This way entails:

**Music Reading**, which is simply a means to an end which permits a wide experience in **Song Singing**, which is an incentive to musical growth and results in **Music Appreciation**, which is the open door to greater opportunities in the world of music.

Besides these above phases of music, the children have had experience in Folk Dancing, Music Listening and Music Theory.

I wish to express my appreciation to the School Board, Superintendent, teachers, parents, pupils and other citizens for their cooperation.

Respectfully submitted,

ANNE-MARIE O'SHEA,  
Music Supervisor

## Health Supervision

---

To the Superintendent and School Board, Citizens of Kingston:

Following is a report of the school health program from January 1, 1950 to January 1, 1951.

The same health work has been carried on. Monthly inspections of heads, skin, etc., plus visual and hearing tests, examinations of teeth, throats, glands, and posture. Defects found were followed up with home visits and when necessary, ways were provided for the correction of defects.

Weighing and measuring in September, February and June. Brief health discussions when needed. Pupils in grades seven and eight were all skin patched for tuberculosis.

The hot lunch program continues to be a great success. There is as much pep and activity in the Bakie School afternoons as well as mornings. This could be attributed to the fine hot lunches.

With Dr. DeCatur's kind cooperation, a round-up was held in June. This was for the children entering school in the fall. Most of them attended and had physical examinations, and were vaccinated.

I am grateful for this opportunity to thank the people of Kingston for the fine new wing which has been added to the school. This now leaves the auditorium available for much health work. I also wish to thank those who have cooperated and given this program such fine support.
